"May you always be witnesses to the beauty of encounter. May you help our society to hear the voice of refugees. Continue to walk bravely at their side, accompany them and let yourselves be guided by them as well: refugees know the ways that lead to peace because they know the acrid odour of war"

Pope Francis to volunteers and workers of Centro Astalli (Jesuit Refugee Service)

How to apply

To apply fill in the **application form**.

Applications are on a rolling basis.

Due to the high number of applications, *only selected applicants will be contacted for a Skype interview.*
